Dear Mr. & Mrs. 

You are receiving this letter because the United States Forest Service (USFS) has identified you as a landowner receiving potable water from the Black Hills National Forest Nemo Work Center. As you are likely aware, the USFS signed a decision document that includes direction to upgrade the existing temporary water system with a permanent water system that meets current standards.

The United States Forest Service (USFS) invites you to attend a public meeting on **Thursday, March 15, 2018, at 6:30 pm at the Nemo Community Center, Nemo, South Dakota.** At this meeting, we will share information concerning the water system design as well as collect and address any comments/concerns associated with the system plans. The USFS is pleased to note that we heard and responded to public comment on our draft decision document by changing the work to better-fit the majority of the Nemo community's desire to refurbish the existing water system.

The USFS intends to complete the system upgrades at no direct-cost to Nemo residents.

If you have any questions about the public meeting, please contact Brian Beam at (605) 673-9224 or Ralph Adam at (605) 673-9204 at the Black Hills National Forest Supervisor's Office at 1019 North 5th Street, Custer, SD 57730.

We look forward to seeing you on Thursday, March 15, 2018, at the Nemo Community Center.

Sincerely,

RALPH ADAM  
Remedial Project Manager
